The maddest kind of love...is a love you know is  
Wrong  
It burns a hole right through your soul  
And cuts you like a knife.

The maddest kind of love...is a love you know won't last  
It fills your heart with passion  
Makes you lie about your past.

You know i speak from experience  
I live it each day  
It's something she does  
It's something she'll say  
It's the maddest kind of love.

The maddest kind of love...is a love just for the thrill  
It doesn't have a conscience  
Only lives... for the kill

The maddest kind of love...is a love you know's a lie  
It leaves you feeling empty  
To weak too cold to cry.

You know i speak from experience  
I live it each day  
It's something she does  
It's something she'll say  
It's the maddest kind of love.  
It's a mad mad love  
It's the maddest kind of love.  
It's a mad mad love

You know i speak from experience  
I live it each day  
It's something she does  
It's something she'll say  
It's the maddest kind of love.  
It's a mad mad love  
It's the maddest kind of love.  
It's a mad mad love  
Ouuu Yeah, Fell in love  
Yeah, Don't fall in love

Ouuu Ouuuu OuOuOuOuuuu
