(Scotty Morris)

Swingin through the jungle  
I have sailed the 7 seas  
King of the monkeys  
and nothing bothers me  
I wanna fly right through the sky  
I wanna touch the moon  
but I hear it call me  
and I have to go back soon

\*Chorus\*

Oh, Oh,  
It's you and me and the mambo swing

Fires in the city  
There was dancin in the streets  
More than a scene  
and mambo was the king  
I wanna fly right back through time  
Like a fever without care  
and I hear it calling me  
and I wanna take you there
