

Big Bad Voodoo Daddy "Oh Yeah"

From the top of the night until 4 am
I'll be bangin' bone music on a garbage can
When this cat named Pip with a vital tip said
"You better watch it, Jack 'cause there's a girl on your
back"

But as a general rule, I tend to play things cool
So I stroll through the bar to my favorite stool
When she approached me so devilishly an' said
"Your music, Jack, makes me go insane"

I said, oh yeah
(Oh yeah)
I said, oh my my
(Oh my my)
She says, "The big bad music makes me go insane"

I said, "I've got nine lives", she says, "I'm sly like a cat
From the tip of my shoes to the top of my hat"
As I flip down my collar and I straighten out my tie
She says, "I really did you, man", as she looked me in
the eye

I said, "Baby, you must see, you could never be
The only one hangin' out with me "
You see, I got no plans
She said, "My oh my, step back and let me try"

I said, oh yeah
(Oh yeah)
I said, oh my my
(Oh my my)
She says, "The big bad music makes me go insane"

Now friends, my story is far from over
Like an alley cat with a four leaf clover
The life I live is the life for me
With no regrets and love for free

But now back to the girl that I meet in the bar
Now we're rollin' down in a big black car
As she rolls up the window and she pulls back the top

She says, "Hang on Jack, I'm about to pop"
