I've been up, I've been down
I've been kicked to the ground
And that's nothing new for me

Like the dead of the night
When everything's all right
It's where I wanna be

You see, the life I live is the life I choose
I follow no one's laws, I follow no one's rules
But when it's heads I win and tails you lose
It's not the game in which I choose

Strollin' in at dawn, wakin' up at noon
Is gonna catch up to me soon
But "you can sleep when you're dead" is what I said
'Cause I'm jumpin' off the moon

Hold on, bear down, jump in and grin
'Cause I'm comin' back your way
Get down, hold tight with all of your might
'Cause I'm comin' back to stay

What's next? I think I'll hit the streets
What's next? I think I'll have a drink
What's next? I think I'll bet my luck
Luck's coming back my way
