Hey Jack...I know what your thinking. That now's as
good as any to start
drinking. Hey Scotty...Yeah...What's it gonna be? A gin
& tonic sounds might
mighty good to me.
Man I know I gotta go it's the same thing every time,
but I don't think
another drinks' gonna make me lose my mind. So I
think about my next drink,
and it's you & me and the bottle makes 3 tonight.
Well I know this cat named Mo. He wanders to and fro.
His and my favorite
waterin' hole. I said hey Mo, "how you doing, where
have you been?"
He said, "I've been fine with my whiskey, wine and gin."
Man I know I gotta go it's the same thing every time,
but I don't think
another drinks' gonna make me lose my mind. So I
think about my next drink,
and it's you & me and the bottle makes 3 tonight.
