The breaking makes a sound
I never knew could be
So beautiful and loud
Fury filled and we collide

So courageous until now
Fumbling and scared
So afraid You'll find me out,
Alone here with my doubt

Here it comes, a beautiful collision
Is happening now.
There seems no end to where You begin and there I am
now
You and I collide

Something circling inside,
Spaciously you fly
Infinite and wide,
Like the moon and sky
Collide

Here it comes, a beautiful collision
Is happening now.
There seems no end to where you begin and there I am
now
You and I, collide

Yeah Yeah Yeah

Here it comes, Here it comes, Here it comes now
Here it comes, Here it comes, Here it comes now
Here it comes, Here it comes, Here it comes now
Collide
Here it comes, Here it comes now (You and I)
Here it comes, Here it comes now (You and I)
Here it comes, Here it comes, Here it comes now
Feel it coming on, Feel it coming on now, Here it comes
now
Here it comes, Here it comes, Here it comes now
