How long till You hear us?
Till You come back, we ain't giving up.
How long till You heal us?
Till You come back, we ain't giving up.
Love rise up.
Hope rise up
How long till You free us?
Till You come back, we ain't giving up.
How long till You mend us?
Till You come back, we ain't giving up.
Your strength will come like something lifted up.

Lift up you head (love is rising)
Lift up your head (hope is rising)
Lift up your head (be lifted)
Be lifted, be lifted.
Lift up you head!
