Diggin' in your fields, pullin' up your food  
No matter how I feel, don't do me no good  
Treat me like a human is all I got to say  
The man that I am workin' for won't let me get away

I came across your border just to work for you  
I give you all I got to give, what more can I do?  
Don't give me law and order, tell me to stick around  
While standin' in the picket line, you try and shoot me  
down, down

I come to your country to work on the land  
Watching the seeds as they die in the sand  
Fighting for your freedom with a hoe in your hand  
(Fieldworker, fieldworker)  
Fieldworker, fieldworker

Diggin' in your fields, I'm pullin' up your food  
No matter how I feel, don't do me no good  
Treat me like a human is all I got to say  
The man that I am workin' for won't let me get away
