Praise Him under open skies
Everything breathing praising God
In the company of all who love the King
I will dance, I will sing
It could be heavenly
Turn the music loud, lift my voice and shout
From where I am
From where I've been
He's been there with me
He's built a monument
His very people
So let his people
Sing, sing, sing

And it's so wonderful
Just to be here now

CHORUS:

Praise Him under open skies
Everything breathing praising God
In the company
Of all who love the King
Praise Him under open skies
Everything breathing praising God
In the company
Of all who love the King

Praise Him under open skies
Everything breathing praising God
In the company of all who love the King
Let us dance, let us sing
It could be heavenly
Turn the music loud and sing

CHORUS

Lift your voice to heaven
Lift up your head and sing
To the One who gave his love
This is our offering
Lift your voice to heaven

Lift up your head and sing
To the One who gave His son
Here our lives we bring

From wherever you are
Wherever you've been
He's been there
So let his people sing
(3X)

And it's so wonderful to be here now
Wherever you are wherever you've been
He's been there
