Desperation leads us here  
Leads us here  
Illumination meets us here  
Meets us here  
Revelation brings us here  
Brings us here  
Restoration frees us here  
Frees us here

And I don't want to leave  
I don't want to leave this place  
No, I don't want to leave  
I never want to leave this place

CHORUS  
It's so amazing  
Your unchanging love  
Simply amazing  
Never changing love  
Love, love a revolutionary love

Reparation leads us here  
Leads us here  
Liberation meets us here  
Meets us here  
Jubilation brings us here  
Brings us here  
Higher elevation frees us here  
Frees us here

And I don't want to leave  
I don't want to leave this place  
No, I don't want to leave  
I never want to leave this place

Chorus x2

Your revolutionary love  
Your revolutionary love, love, love

You're a revolution I want to be

Revolutionary  
You're a revolution I want to be  
Revolutionary  
You're a revolution I want to be  
Love, love, love  
Revolutionary love
