We Win

We're gonna
Shout loud,
Loud until the walls come down
Shout loud,
Loud until the walls come down
Loud until the walls come down

We're gonna
Shout loud,
Loud until the walls come down
Shout loud,
Loud until the walls come down
Loud until the walls come down

Yeah yeah yeah

Because we've already won
And You don't have a chance
Yeah we've already won
No you don't have a chance
It's already done
And you don't have a chance
Because we've already won!
We have already won!

We're gonna
Shout loud,
Loud until the walls come down
Shout loud,
Loud until the walls come down
Loud until the walls come down

We're gonna
Shout loud,
Loud until the final sound
Shout loud,
Loud until the final sound
Loud until the final sound

Because we've already won
And You don't have a chance
Yeah we've already won
No you don't have a chance
It's already done
And you don't have a chance
Because we've already won!
And You don't have a chance
Yeah we've already won
No you don't have a chance
It's already done
And you don't have a chance
Because we've already won!
We have already won!

We're gonna
Shout loud,
Loud until the walls come down
Shout loud,
Loud until the walls come down
Shout loud,
Loud until the walls come down
Shout loud,
Loud until the walls come down
Shout loud,
Loud until the walls come down
Shout loud,
Loud until the walls come down
Shout loud,
Loud until the walls come down
Shout loud,
Loud Because we've already won
And You don't have a chance
Yeah we've already won
No you don't have a chance
It's already done
And you don't have a chance
Because we've already won!
We have already won!
We have already won!
