"All Around Me"

[Flyleaf cover]

[Verse 1]

My hands are searching for You
My arms are outstretched towards You
I feel You on my fingertips
My tongue dances behind my lips for You

This fire rising through my being
Burning, I'm not used to seeing You

[Pre-Chorus]

I'm alive, I'm alive

[Chorus]

I can feel you all around me
Thickening the air I'm breathing
Holding on to what I'm feeling
Savoring this heart that's healing

[Verse 2]

My hands float up above me
And You whisper You love me
And I begin to fade
Into our secret place

The music makes me sway
The angels singing say we are alone with You
I am alone and they are too with You

[Bridge 1]

And so I cry
The light is white
And I see You

I'm alive, I'm alive, I'm alive

[Bridge 2]

Take my hand, I give it to you
Now you own me, all I am

You said You would never leave me
I believe You, I believe
