### "Can You Feel It?"

Can you feel it?  
Can you feel it?  
The love in this place  
Can you feel it?  
Can you feel it?  
Can you feel it?  
The grace in this place  
Can you feel it?  
Yeah

Life makes it so hard sometimes  
To know what's real  
When I can't feel You there  
When I can't see You there  
When I can't comprehend that You are there  
You are there  
You're everywhere  
You are everywhere

Can you feel it?  
Can you feel it?  
The hope in this place  
Can you feel it?  
Can you feel it?  
Can you feel it?  
The peace in this place  
Can you feel it?  
Yeah

When we can't feel You there  
When we can't see You there  
When we can't comprehend that you are there  
You are there  
You're everywhere  
You are everywhere

Our God is here

We believe You're here  
We can feel You here

We can see You here  
We believe You're here  
You are here  
You are here
