#### **"Church Music - Dance"**

Dance if you're wounded  
Dance if you're torn into  
Dance broken open  
Dance with nothing to lose

Dance when you're wounded  
Dance when you're torn into  
Dance broken open  
Dance with nothing to lose

(Oh!) Perfectly free  
(Oh!) Dance if you wanna be  
(Oh!) Perfectly free  
(Oh!) Dance if you wanna be

Change the world  
Change your soul  
Fill it up  
Here we go  
Here we go

Oh His is a story that saves  
Majestic feel  
Feel it at a steady pace
