The one who I've searched for  
For so long has come  
With open arms  
Today is the day of glory  
Today is the day I'm home

Oh day, what a day  
Oh day, I'm yours  
Oh day of resurrection

You come and find me, find me and I  
Oh I come alive  
I come alive  
What can I do but offer my life  
And I come alive  
Oh I come alive  
Again

Today is the day I rise like the dawn  
Up out of death  
To a Son, to a Son  
Oh day, what a day  
Oh day, I'm yours  
Oh day of resurrection

You come and find me, find me and I  
Oh I come alive  
I come alive  
What can I do but offer my life  
And I come alive  
Oh I come alive

Beat the drum and say no more  
The heart and mind and soul have flown  
Oh what am I to do  
Oh what am I to do

Beat the drum and say no more  
Drift away with you my love  
Oh what am I to do  
Oh what am I to do

But surrender  
To you

You come and find me, find me and I  
Oh I come alive  
I come alive  
What can I do but offer my life  
And I come alive  
Oh I come alive

You come and find me, find me and I  
Oh I come alive  
I come alive  
What can I do but offer my life  
And I come alive  
Oh I come alive  
Again
