Love so incredible to know  
It's never gonna go  
Never gonna go

Love too impossible and true  
For anyone but You  
For anyone but You

I think I'm on the brink of something large  
Maybe like the breaking of a dawn  
Or maybe like a match being lit  
Or the sinking of a ship  
Letting go gives a better grip

I'm finding everything I'll ever need  
By giving up gaining everything  
Falling for You for eternity  
Right here at Your feet  
Where I wanna be  
I am Yours

Love so indelible to know  
You're never gonna go  
You're never gonna go

Love too unthinkable and true  
For anyone but You  
For anyone but You

Maybe like a match being lit  
Or the sinking of a ship  
Letting go gives a better grip

I'm finding everything I'll ever need  
By giving up gaining everything  
Falling for You for eternity  
Right here at Your feet  
Where I wanna be

I'm finding everything I'll ever need  
By giving up gaining everything  
Falling for You for eternity

Right here at Your feet  
Where I wanna be

I am Yours forever...

I'm finding everything I'll ever need  
By giving up gaining everything  
Falling for You for eternity  
Right here at Your feet  
Where I wanna be

I'm finding everything I'll ever need  
By giving up gaining everything  
Falling for You for eternity  
Right here at Your feet  
Where I wanna be  
I am Yours

Forever and ever and ever and ever  
And ever and ever and ever and ever... (repeat)
