he is jealous for me,
loves like a hurricane, i am a tree
bending beneath the weight of his wind and mercy.

when all of a sudden,
i am unaware of these affections equipped in glory
and i realize just how beautiful you are,
and how great your affections are for me.
and oh, how he loves us
oh how he loves us
oh how he loves us all
he is jealous, he is jealous for me,
loves like a hurricane, i am a tree
bending beneath the weight of his wind and mercy.

when all of a sudden,
i am unaware of these affections equipped in glory
and i realize just how beautiful you are,
and how great your affections are for me.

and oh, how he loves us
oh how he loves us
oh how he loves us all

yeah he loves us
oh how he loves us
oh how he loves us
oh how he loves

we are his portion he is our prize
drawn to redemption by the grace in his eyes
if his grace is an ocean,
we're all sinkn'

that he loves us
oh how he loves us
oh how he loves us
oh how he loves

yeah he loves us
oh how he loves us
oh how he loves us

oh how he loves
oh how he loves yeah

he loves us all
oh how he loves us all
oh how he loves us

yeah he loves us
oh how he love us
oh how he loves us
oh how he loves us all
