Intoxicating You are to me
Illuminating You are to see
Truly breathtaking You are to breathe
Sending my head swimming You are, You see

And I've lost my mind, I'm sure to find
Need to apologize for my
Lack of inhibition, for my belligerent condition
But with You this near I'm dizzy

Inebriating You are to me
Completely captivating You are to see
Sending my world spinning You are, You see

And now I find a blurry line
Here between You and I
Raise the cup, drink 'til I'm full
Sing 'til I can't, 'til my voice is gone
And my head is spinning

CHORUS:

La, la dee da
La dee da, dee da
Dee da da da
Hey la, la dee da
La dee da, dee da
Dee da da da

Illuminating You are to see
Truly breathtaking You are to breathe
Sending my head spinning You are, You see

And now I find a blurry line
Here between you and I
Raise the cup, drink 'til I'm full
Sing 'til I can't, 'til my voice is gone
And my head is spinning dizzy

If I'm out of my mind it's You, You
'Cause I'm crazy in love with You, You
Inebriated by You, You
'Cause I'm head over heels with You, You
