"Make A Joyful Noise"

Make a joyful noise to the Lord
All the earth
Make a hoyful noise to the Lord
All the earth

The flowers of the field
Are cry'n to be heard
The trees of the forest
Are singing
And all of the mountains
With one voice
Are joining the chorus of this world

And I will not be silent
I will not be quiet anymore [2x]

Running through the forest
Dive into the lake
Bare feet on beaches white
Standing in the canyon
Painted hills around
The wind against my skin
Every ocean
Every sea
Every river
Every stream
Every mountain
Every tree
Every blade of grass will sing
