Holy holy is the Lord
Holy holy is the Lord
(x2)
Rain Down your love on us
Rain down your love
Rain down your greatness
And cover me
Rain down your love on us,
Rain down your love
Rain down your peace
Holy holy is the Lord
Holy holy is the Lord
(x2)
Rain Down your love on us
Rain down your love
Rain down your greatness
O and cover me
Rain down your love on us
O rain down your love
Rain down your peace
Rain down your love on us
Rain down your love
Rain down your greatness
O and cover me
Rain down your love on us
Rain down your love
Rain down your peace
Rain down
Rain down your love on us
Rain down your greatness
Rain down your love on us
Rain down your peace
