Stumbled through the doorway
Into the strangest thing
An unexpected magic land
With snow beath my feet

Came across a lady who
Dressed herself in white
She took her coat to cover me
Then a query cold as ice

What do you want?

Turkish delight
(It's my favorite thing)
It's my favorite thing
Turkish delight
(All I want to do)
What I wouldn't do, what I wouldn't do
Turkish delight
(It's my favorite thing)
It gets me every time
Turkish delight
(All I want to do)
What I wouldn't give, what I wouldn't give
(What I wouldn't do for her)

You wouldn't think I'd fall for it
You wouldn't think I'd lie
But I'd do anything
For that tiny bit of pie

I would sell you out
I'd give you all away
A life of treats might do me in
But I gotta get another taste

Turkish delight
(It's my favorite thing)
It's my favorite thing
Turkish delight
(All I want to do)
What I wouldn't do, what I wouldn't do

Turkish delight
(It's my favorite thing)
It gets me every time
Turkish delight
(All I want to do)
What I wouldn't give, what I wouldn't give
(What I wouldn't do for her)
