I am full of earth  
You are heaven's worth  
I am stained with dirt, prone to depravity  
You are everything that is bright and clean  
The antonym for me  
You are divinity  
But a certain sign of grace is this  
From the broken earth flowers come up  
Pushing through the dirt

You are holy, holy, holy  
All heaven cries "Holy, holy God"  
You are holy, holy, holy  
I want to be holy like You are

You are everything that is bright and clean  
And You're covering me with Your majesty  
And the truest sign of grace was this  
From wounded hands redemption fell down  
Liberating man

You are holy, holy, holy  
All heaven cries "Holy, holy God"  
You are holy, holy, holy  
I want to be holy like You are

But the harder I try the more clearly can I feel  
The depth of our fall and the weight of it all  
And so this might could be the most impossible thing  
Your grandness in me making me clean

Glory, hallelujah  
Glory, glory, hallelujah  
So here I am, all of me  
Finally everything  
Wholly, wholly, wholly  
I am wholly, wholly  
I am wholly, wholly, wholly  
Yours

I am full of earth and dirt and You
