And He set me on fire, and I am burning alive.
With His breath in my lungs I am coming undone.
And he set me on fire and I am burning alive.
With his breath in my lungs I am coming undone.
And I cannot hold it in and remain composed.
Love's taken over me and so I propose the letting
myself go.
I am letting myself go.

You are my joy.
You are my joy.
You are my joy.
You are my joy.

And He set me on fire, and I am burning alive.
With His breath in my lungs I am coming undone.
And He set me on fire, and I am burning alive.
With His breath in my lungs I am coming undone.
And I cannot hold it in and remain composed.
Love's taken over me and so I propose the letting
myself go.
I am letting myself go.

You are my joy.
You are my joy.
You are my joy.
You are my joy.

I need to catch my breath, I need to.
I need to catch my breath, give me a moment now.

You are my joy.
You are my joy.
You are my joy.
You are my joy.

I'm laughing so hard
And I'm laughing so hard
And I'm laughing so hard
