I'm over it!
You see I'm falling in the vast abyss...
Clouded by memories of the past...
At last... I see

I hear it fading, I can't speak it,
Or else you will dig my grave;
You fear them finding, always whining...
Take my hand now be alive!

You see I cannot be forsaken,
Because I'm not the only one,
We walk amongst you feeding, raping...
Must we hide from everyone?

I'm over it.
Why can't we be together, embrace it,
Sleeping so long, taking off the mask,
At last... I see

I feel this fading, I can't speak it,
Or else you will dig my grave,
You fear them finding, always whining...
Take my hand now be alive!

You see I cannot be forsaken,
Because I'm not the only one,
We walk amongst you feeding, raping...
Must we hide from everyone?
You see I cannot be forsaken,
Because I'm not the only one,
We walk amongst you feeding, raping...
Must we hide from everyone?

Everyone...
Everyone.
