Hold me close, don't let me go, oh no  
I, yes I love you and I think that you know  
Do you know?

With your love light shining  
Every clouds got a silver lining  
So hold me close, don't let me go

Hold me close, don't let me go, oh no  
You and me, yes our love it will stop at the show  
Do you know?

With your love light shining clearly  
It's so good to have you near me  
So hold me close, don't let me go

And if that road gets weary, oh I love you  
Waiting here if you need me  
'Cause I love the things that you do

So hold me close, don't let me go, oh no  
You see I, yes I loved you and I think that you know  
Do you know?

With your love light shining  
Every clouds got a silver lining  
So hold me close, don't let me go

And if that road gets tougher, oh I love you  
No, I'll never let you suffer, 'cause I love the things that  
you do

So hold me close, don't let me go, oh no  
You and me, yes our love it will grow and grow  
Do you know?

With your love light shining  
Every cloud has a silver lining  
So hold me close, hold me close  
Hold me close, don't let me go

Hold me close, closer girl

Hold me close, closer girl
