I gets the blues now when it rains,
Blues that I can't lose when it rains
Each little raindrop that falls on my window pane,
All they remind, baby, the tears I she'd in vain
I'd sit and wait for the sun,
To shine down on me once again
Rained when I found you,
You know, it was rainin' when I lost you
I gets the blues baby when it rains
I gets the blues when it rains,
Blues that I can't lose when it rains
Each little raindrop that falls on my window pane,
All they remind, baby, tears I she'd in vain
I'd sit and wait for the sun,
To shine down on me once again
Rained when I found you,
You know, it was rainin' when I lost you
I gets the blues baby when it rains
