Yeah, Since you went away hasn't been the same
In my heart all I got is pain
Could it be that I played a game to lose you, I can't
maintain
Sunlight moonlight you lit my life realize in the night
While love shines bright
Can't let you go
We were meant for forever baby let me know

Days passed without you, can't forget you
Let me be the cloud hanging above me
Raining on me missing you touch
Nights get long and it's hard to clutch
We're apart, breaks my heart
It's all for the best girl you're my world
In time my love unfurls
'Til then wait for you girl

Koe wo kikasete
Sunao ni nareba kitto
Wakariaeru hazu sa
Kokoro wo hiraite
Koe wo kikasete
Aruitekita michi wa
Bokutachi ni totte kitto
Taisetsu na stepu sa
Sono mirai e no
