Ima no ko kimoshi ga kizuna ni naru

Yeah, since you went hasn't been the same
In my heart all I got is pain
Could it be that I play the game
To loose you I can't maintain
Sunlight, moonlight, you lit my life
Realize in the light while love shines bright
Can't let you go, we were meant for forever baby let me
know

Days passed without you can't forget you
Letting me be the cloud hanging above me
Raining on me missing your touch
Nights get longer and it's hard to clutch
We are apart brakes my heart
It's all for the best girl, you are my world
In time my love unfurls
Till then wait for you girl

Koe wo kikasete
Sunao ni nareba kitto
Wakari aeru hazu sa
Kokoro wo hiraite
Koe wo kikasete
Aruitekita michi wa bokutachi ni totte kitto
Taisetsu na STEP sa
Sono mirai e no
