(Can you feel it?) Let's go.  
(Ah ah, Uh) Can you feel it?  
Hey!  
Let me introduce myself (Big Bang, Yeah)  
Are you ready for the show?

I'll be ready in an hour  
Jump in the shower  
Crisp and clean  
Now I got the power  
Blastin music from my speakers  
T-shirt's fresh  
Brand new sneakers.

Ready to flow, ready to go (go)  
Ready for the spotlight  
Ready for the show.  
Let me tell you something  
That you already know  
I'm a hard working man (yeah)  
And I work for my fans.

Girl I love your style  
Love your smile  
Wish that you could be  
Only mine, be only mine (fo' sho)  
I can't let it go  
I don't know  
What you're doing to me (yeah)  
You're so fine (Uh huh)  
Ooh, you're so fine. (Let's go)

It's getting hot in the club  
I can see they want some more.  
I will give you more  
I'm your Number One.  
Once I get up I'll be rock  
Never stop you can be sure.  
Yeah, you can be sure  
I'm your Number One.

You know I (Yes)  
You know I (Yo)  
I'm your Number One.

Crazy hot, mad party  
Shorty drop it low for me.  
You can keep me company  
You look sweet, smell like honey.

I need a girl who is in it for me  
Not for the money, not for the fame (Shoot)  
Not for the glory, not for the name (Man)  
It aint easy  
'Cause all they just sayin is

Boy I love your style  
Love your smile  
Wish that you could be  
Only mine, be only mine (fo' sho)

You're so fine
