Lo\_ove  
Come down and lay right next to me  
Co\_old  
We'll be like bodies spit by the sea  
I know  
That we all live in this democracy  
Tho\_ough  
It's not that clear who's the enemy

U-Uh-uh Oh-oh Oh-oh  
There's nothing here to learn  
I don't want o start this fire  
I'm just here to make sure  
It bu\_urns

Lo\_ove  
Come down and lay right next to me  
Co\_old  
We'll be like bodies spit by the sea

And we'll float with our heads in the water  
We'll dry our hands in the fire

Uh-oh  
You only see what you wanna see  
Lo\_ove  
I'm not your friend or your enemy

Uh  
There's nothing to learn  
I don't want to start this fire  
I'm just here to make sure  
It burns  
There's nothing here to learn  
I don't want to make history  
I'm just here to watch you twitch  
And t-t-t-turn  
T-t-t-twitch  
B-b-b-burn

Uh-oh

We'll float with our heads in the water  
We'll dry our hands in the fire  
We'll sleep through spring and the summer  
We'll freeze our bodies through the winter
