Turn it up
Burn it up
Falling down strait line
I see your sin growing in
Heading to the decline
Now we're from
How come I got stuck in a hole
I won't quit
Won't close
Just got out of control

Now I need to stop 4
Now I need to stop 4 a minute
I think that I've been lost here before
I think I need to stop 4 a minute
I see footprints coming out from the floor

I had you close
Had you most than ever before
I hate dirt 'til it hurt
Show you good love me more
I don't lie
I disguise all of my inner fears
And now I'm stuck in a shred
Like a common disease

Now I need to stop 4
Now I need to stop 4 a minute
I think that I've been lost here before
Think I need to stop 4 a minute
I see footprints coming out from the floor
I think I need to stop 4 a minute (x2)
I think I need to stop 4(x2)

Turn it up
Burn it up
Falling down strait line
I see your sin growing in
Heading to a decline
Now we're from
How come I got stuck in a hole

I won't quit
Won't close
Just got out of control

Now I need to stop 4
Now I need to stop 4 a minute
I think that I've been lost here before
I think I need to stop 4 a minute
I see footprints coming out from the floor
I think I need to stop 4 a minute (x2)
I think I need to stop 4
I think I need to stop 4 a minute (x4)
