You saw me sitting in the corner
And you just sat there right next to me.
You asked me - "Are you feeling lonely?"
Well loneliness is just a word, you see.

I came in here just for the music
For all the things that it makes me feel.
I came to exorcise my demons
To bury those days when only pain was real.

Treat me right
My dreams will come true tonight.
Come with me, set me free
We'll be alright.

I should have met you in the 80's
Back when I was the dance floor queen.
Maybe you think that I'm too old for dancing
You should have met me when I was sixteen, oh baby

Dance, Dance, Dance, Dance, Dance, Dance
You know what I mean
Dance, Dance, Dance, Dance
Like you were sixteen.

Hey! Hey! Hey!

Tonight I'm drinking myself sober
'Till I see what I want to see.
A few more drinks and you will be the perfect lover
You will be the one that I, truly believe.

That is right
My dreams will come true tonight.
Come with me, set me free
We'll be alright.

I should have met you in the 80's
Back when I was the dance floor queen.
Maybe you think that I'm too old for dancing
You should have met me when I was sixteen, oh baby

Dance, Dance, Dance, Dance, Dance, Dance
Like I was sixteen.
Dance, Dance, Dance, Dance, Dance, Dance
You know what I mean.

Hey! Hey! Hey!

I should have met you in the 80's
Back when I was the dance floor queen.
Maybe you think that I'm too old for dancing
You should have met me - I should've kissed you

I should have kissed you in the 80's
Back when I was young and free.
Maybe you think that I'm too old for loving
Well tonight I'll make you love me.

Dance, Dance, Dance, Dance, Dance, Dance
Like you were sixteen.
Dance, Dance, Dance, Dance, Dance, Dance
You know what I mean.
