Fall in love again
You make it look so easy
See how you run, away

Ohh sunny days
You make them pass so breathless
Oh don't it turn so cold, again

Well, I don't wanna know, excuses dressed in reason
The wildest kind of fire, I have ever known

You broke your heart again
You make it look so easy
What a fragile little thing, you are

And when the morning comes
The headache screams it's over
Now get the hell away, from me

Well I won't ever learn
That the lessons looked so easy
'n' I'll be back again
And broken just the same

Well I mean no harm
I'm only trying to make ends meet
Well I mean no harm
I'm only trying to find my feet
Trying to find my feet
Well I've broken, everything

Steady as she goes
The times I get to thinking
Oh what the hell is wrong, with me?

And all the love again
You make it look so easy
Oh god no not again
Not again

'cos everybody knows

The demon's out to get you
And poisoning your name
And blackening your smile

But I mean no harm, I'm only trying to make ends meet
I mean no harm, I'm only trying to find my feet
I mean no harm, I'm only trying to make ends meet
I mean no harm, I'm only trying to find my feet

I mean no harm
I mean no harm
(I mean no harm)

But I've broken everything

Steady as she goes
You make it look so easy
See how you run, away
