I'll never be the water  
And I'll never be the wine  
And I'll never be the last hand you hold before you walk  
inside  
I'll never have the last dance  
And I'll never have the first  
I'll never get to tell you baby  
How good you look

And I'll never be a face on your bedroom wall  
And I'll never be a life line you might call  
Me amazing  
You might say I'm amazing  
Baby you say I'm amazing too

I'll never be the wise guy  
You never hear me joke  
I'll never get to beg at your window  
And tell you I've just gone broke  
I'll never know the winter  
As I walk out your door  
I'll never make a fool out of myself  
To make you wanna want me more

And I'll never be a face on your bedroom wall  
And I'll never be a life line you might call

Me amazing  
You might say I'm amazing  
You might call me amazing  
You might say I'm amazing  
Baby you say I'm amazing too

Just say that I'm amazing too

I'll never be the water  
And I'll never be the wine  
I'll never be the last face you see before you say  
goodnight

And I'll never be a face on your bedroom wall  
And I'll never be a life line you might call

Me amazing  
You might say I'm amazing  
You might call me amazing  
You might say I'm amazing  
Baby you say I'm amazing too

Just say that I'm amazing too

You might call me amazing  
You might say I'm amazing  
You might call me amazing  
You might say I'm amazing  
Baby say
