I wish that I could maybe say something cool to make  
you stay  
I wish I, I wish I  
I wish that when I looked at you I'd feel the way that I  
need to  
I wish I, I wish I  
I tie my shoes and I walk outside, another day and I say  
There's things I love I'll never have  
There's things that I do to get me through and I  
Fix my smile to make it seem that what you do don't  
mean shit to me  
And I wish I  
Don't leave, don't cry, don't run, it's alright  
'Cause this song is for you  
Don't cry, don't leave, say anything that you don't  
believe  
'Cause this song is for you  
I wish that I could walk away, convince myself that this  
is fate  
I wish I  
I know it hurts, it cuts inside, if no-one sees hell it's  
alrightMbr> And I think I

I shake my keys and I lock the door, I start the car and I  
say  
There's thing I love I'll never hold  
And the things I hold will never love me back  
I fix my smile and I make it seen that what you do don't  
mean shit to me  
And I wish I  
Don't leave, don't cry, don't run, it's alright  
'Cause this song is for you  
Don't cry, don't leave, say anything that you don't  
believe  
'Cause this song is for you  
Blame it on tomorrow  
Blame it on the clothes I wear  
Blame it on the songs I sing  
Blame it on tomorrow  
Blame it on the clothes I wear  
Blame it on the songs I sing  
Blame it on tomorrow

Blame it on the clothes I wear  
Blame it on the songs I sing  
Blame it on Teresa
