Monday morning we stayed up late
And raced against the night
There's people talking and others screaming
Children walking by
This is how it feels, what it's like to have
Someone by your side
It could be tonight, nothing stays the same
You know you're right (yeah)

Laying in your bed
Breaking all the rules
Walking through this town
I'll find you tonight, tonight
Slide with me
Tonight, tonight
Breathe with me
Tonight, tonight
Slide with me
Tonight

You know you saved me with three kind words
That let me back inside
We were cheated and we were fooled
By all these pretty lights

Baby what you want I could never give
Lets talk
Tell me what you need, tell me you believe
Lets talk (oh)

Laying in your bed
Breaking all the rules
Walking through this town
I'll find you tonight, tonight
Slide with me
Tonight, tonight
Breathe with me
Tonight, tonight
Slide with me
Tonight

Laying in your bed

Breaking all the rules
Living in this town
Breaking all the rules
Walking through this town
I'll find you tonight, tonight
Slide with me
Tonight, tonight
Breathe with me
Tonight, tonight
Slide with me
Tonight
