As I'm leaving

A change comes over your eyes

These streets persuading me

With mumbles strange goodbyes
And through the water

Through the rain

To the soul of everything

I throw my heart out

On the stones

And I'm almost gone
And there's no meaning

In clothes and coffee cups

Cheap hotel furniture

Where silence never stops
And through the water

Through the rain

To the soul of everything

I throw my heart out

On the stones

And I'm almost gone

Almost

And now I'm dreaming

I'm staring at the walls

At cars all frozen now

In late night waterfalls
And through the water

Through the rain

To the soul of everything

I throw my heart out

On the stones

And I'm almost gone
