From the very first moment I saw you
That's when I knew
All the dreams I held in my heart
Had suddenly come true

Knock me over stone cold sober
Not a think I could say or do
'Cause baby when I'm walking with you now
My eyes are so wide

Like you reached right into my head
And turned on the light inside
Turning on the light
Inside my mind hey

Come on baby its all right
Sunday, Monday day or night
Written blue on white its plain to see
Be mine, be mine

Rainy shiny night or day
Whats the difference anyway
Honey till your heart belongs to me

If I had some influence girl
With the powers that be
I'd have them fire that arrow at you
Like they fired it right at me

And maybe when your heart
And soul are burning you might see
That every time I'm talking with you
Its always over too soon

That everyday feels so incomplete
Till you walk into the room
Say the word now girl
I'll jump that moon hey

Come on baby its okay
Rainy shiny night or day
Theres nothing in the way now

Don't you see
Be mine, be mine

Winter summer day or night
Centigrade of Fahrenheit
Baby till your heart belongs to me
Be mine, be mine

Thursday, Friday short or long
When you got a love so strong
How can it be wrong now mercy me
Be mine, be mine

Jumpin' Jesus holy cow
What's the difference anyhow
Baby till your heart belongs to me

Be mine, be mine
Be mine, be mine
Be mine, be mine
