Bubbles  
come join me in the tub  
  
as i bask in the warm  
  
water with bubbles  
  
cradling me from  
  
head to foot  
  
like a warm, soft blanket  
  
in the winter time  
  
humming to the music  
  
in the background  
  
watching the candles  
  
flicker with an orangey  
  
blue glow  
  
feeling so pretty  
  
in my birthday clothes  
  
so soft and sensual  
  
a gentle breeze floating in  
  
curtains swirling like gowns  
  
twirling at a ballroom dance  
  
contemplating all  
  
the shapes and sizes  
  
of those sparkling bubbles

feels like i stole a piece  
of the rainbow  
inhaling the lilac scent  
oh, so sweet  
feels like i've taken  
the fast track to heaven  
the fast track to heaven  
cleansing my soul  
renewing my energy  
so i can begin a new day  
with no worries  
time to shed the layers of anger  
the layers of disappointment  
a time for peace  
a feeling of calm  
a time for hope renewed  
after i've lost the weight  
of this world  
i step out of the tub  
feeling like a brand new girl  
ready to be smothered  
by open arms  
and honeysuckle kisses  
isobel
