All my tears will dry away  
All my tears will dry away  
All my tears will dry away Words don't bother me no  
more  
Black money falling to the floor  
Flags out on the balconies  
Black money washing to the seas  
Oh my mind  
What happened to the time  
December

All my house got blown away  
All my house got blown away

All my house and all my home  
Walls of glass and walls of stone  
Got blown away

Stations in the neon light  
Your body strange as dynamite  
Killers underneath our skins  
Black mirrors black hyacinths  
Oh my eyes  
What happened to the skies  
December  
December  
December
