A man of modest  
beginnings had the  
nerve to try to  
change the world  
Fought like a lion  
even though he was  
cryin' in a  
sea of deep despair  
tried to hide the  
energy  
tried to hide the  
light  
afraid of being  
turned in  
grappling with his nerves  
a mind working at the speed of lightening  
a man with a heart of gold  
just tryin' to do the right thing  
bringing joy to countless thousands  
and what did we do to him?  
as he grew OLD and outdated

we did something utterly APPALLING!

made him out to be a caricature

nothing more than a joke

treated him like T R A S H

As he grew old and outdated

And, yes, we did the same thing

to marilyn

I WANT THEM TO KNOW

That what we did was so very wrong

We TORE out their hearts out

When they gave us so much

I want them to know

that we are so VERY SORRY

About what WE did

I will say a prayer for THEM

I want them to know

THAT OUR HATS ARE OFF TO THEM !

because they were such a generous souls

such good hearts

I suspect that their G H O S T s

are still with us and that they will soon

RISE AGAIN

to sing another day

to sing another day

to sing another day

In a mind-blowing EARTH-shattering way

Because good souls never die

Good spirits NEVER DIE

Believe me when i say

Elvis is BACK in the building

BABY

Elvis is BACK in the building

BABY

Elvis is BACK in the building

BABY
