Oh, can't make it on my own  
In this life  
I tried to hold it but its gone  
Too fast

This life  
I hold my hand upon my heart  
Girl I don't know where to start  
Wasting all my time  
Lipstick, vodka, nicotine  
All the things that might have been  
Monday morning falling  
Down  
On this life

Blind, so stupid  
Didn't see with my eyes  
This love  
So bright in front of me  
In your face, your face

I put my head upon my head  
What to say is all been said  
Missing all my friends  
A hundred miles from anywhere  
Sadness creeping in my hair  
Monday morning falling  
Down  
Na na na na na  
Woah yeah, woah yeah

I put my hand upon my eyes  
Love life's bleeding  
No surprise  
Nothing in my head  
20 pounds, 15 pence  
Can't afford the ambulance  
Monday morning falling  
Down  
On this life

On this life

Can't make it on my own  
In this life  
Can't make it on my own  
In this life

Na na na na  
Woah yeah  
Woah yeah  
Woah yeah
