### "More To Me Now"

That amount of money  
That amount of pain  
Such a lot of trouble  
For such a little gain  
Its one foot than the other  
Just like-a simon says

But it means  
More to me now than it ever has

Might look a little disheveled  
A little wild to face  
Been on some other level  
Been in some other place  
Eyes as wide as saucers  
Coming bold as brass

Cause it means  
More to me now than it ever has  
More to me now than it ever has

Saturated northward baby  
Syndicated south  
All you get is bad news coming out  
From a pretty mouth, yeah yeah  
Come and going by now just like sailing ships  
Straight into the arms of some sweet  
Apocalypse  
Yeah yeah  
Yeah yeah  
Yeah yeah

Everything that matter  
Everything that must  
Everything that scatters  
Just like-a magic dust  
Might look a little peculiar  
Who really cares

Cause it means

More to me now than it ever has  
More to me now than it ever has  
More to me now than it ever has  
More to me now than it ever has  
Yeah yeah  
Yeah yeah  
Yeah yeah
