Please forgive me if I act a little strange
For I know not what I do
Feels like lightning running through my veins
Everytime I look at you
Everytime I look at you

Help me out here, all my words are falling short
And there's so much I want to say
Want to tell you just how good it feels
When you look at me that way
When you look at me that way

Throw a stone and watch the ripples flow
Moving out across the bay
Like a stone I fall into your eyes

Deep into their mystery
Deep into some mystery

I got half a mind to scream out loud
I got half a mind to die
So I won't ever have to lose you girl
Won't ever have to say goodbye
I won't ever have to lie
Won't ever have to say goodbye

Please forgive me if I act a little strange
For I know not what I do
Feels like lightning running through my veins
Everytime I look at you
Everytime I look at you
Everytime I look at you
Everytime I look at you
