Sail away with me, honey
I put my heart in your hands
Sail away with me, honey, now, now, now

Sail away with me
What will be, will be
I wanna hold you now, now, now

Crazy skies all wild above me now
Winter howling at my face
And everything I held so dear
Disappeared without a trace

Oh, all the times, I've tasted love
Never knew quite what I had
Little darling, if you hear me now
Never needed you so bad

Spinnin' round inside my head

Sail away with me, honey
I put my heart in your hands
Sail away with me, honey, now, now, now

Sail away with me
What will be will be
I wanna hold you now, now, now

I've been talking drunken, gibberish
Fallin' in and out of bars
Tryin' to get some explanation here
For the way some people are

How did it ever come so far?

Sail away with me, honey
I put my heart in your hands
Sail away with me, honey now, now, now

Sail away with me
What will be will be
I wanna hold you now, now, now

Sail away with me, honey
I put my heart in your hands
Sail away with me, honey now, now, now

Sail away with me
What will be will be
I wanna hold you now, now, now

Sail away with me, honey
I put my heart in your hands
You break me up if you pull me down

Whoa, sail away with me
What will be will be
I wanna hold you now, now, now
