Take this silver lining  
Keep it in your own sweet head  
And shinin' when  
The night is burnin' red  
Shine it in the twilight  
Shine it on the cold, cold ground  
Shine it till these walls come  
Tumbling down

We were born with our  
Eyes wide open  
So alive with wild hope now  
Can you tell me why?

Time after time  
They drag you down  
Down in the darkness deep  
Fools in their madness all around  
Know that the light don't sleep

Step into the silence  
Take it in your own two hands  
And scatter it like diamonds  
All across this land  
Yeah, yea, yea, yea, yea, yea

Blazin' in the morning  
Wearin' like an iron skin  
Only things worth livin' for  
Are innocence and magic  
Amen

We were born with our  
Eyes wide open  
So alive with wild hope now  
Can you tell me why?

Time after time  
They drag you down  
Down in the darkness deep  
Fools in their madness all around  
Know that the light don't sleep

We were born with our  
Eyes wide open  
So alive with wild hope now  
Can you tell me why?

Time after time  
They drag you down  
Down in the darkness deep  
Fools in their madness all around  
Know that the light don't sleep  
Know that the light don't sleep

Time after time  
They drag you down  
Down in the darkness deep  
Fools in their madness all around  
Know that the light don't sleep  
Know that the light don't sleep
