Meet me on the other side
Meet me on the other side
I'll see you on the other side
See you on the other side

Honey now if I'm honest
I still don't know what love is
Another mirage folds
Into the haze of time recalled

Now the floodgates cannot hold
All my sorrow all my rage
A tear drop falls on every page

Meet me on the other side
Meet me on the other side

And maybe I ought to mention
Was never my intention
To harm you or your kin
Are you so scared to look within

The ghosts are crawling on our skin
We may race and we may run
We'll not undo what has been done
Or change the moment when it's gone

Meet me on the other side
Meet me on the other side
I'll see you on the other side
I'll see you on the other side

I know it would be outrageous
To come on all courageous
And offer you my hand
To pull you up on to dry land

When all I got is sinking sand
The trick ain't worth the time it buys
I'm sick of hearing my own lies
And love's a raven when it flies

Meet me on the other side
Meet me on the other side
I'll see you on the other side
I'll see you on the other side

And honey now if I'm honest
I still don't know what love is
