Sail away with me honey  
I put my heart in your hand  
Sail away with me honey now, now, now  
Sail away with me  
What will be will be  
I wanna hold you now

Crazy skies all wild above me now  
Winter howling at my face  
And everything I held so dear  
Disappeared without a trace  
Oh all the times I've tasted love  
Never knew quite what I had  
Little Darling if you hear me now  
Never needed you so bad  
Spinning round inside my head

Sail away with me honey  
I put my heart in your hand  
Sail away with me honey now, now, now  
Sail away with me  
What will be will be  
I wanna hold you now, now, now

I've been talking drunken gibberish  
Falling in and out of bars

Trying to get some explanation here  
For the way some people are  
How did it ever come so far

Sail away with me honey  
I put my heart in your hand  
Sail away with me honey now, now, now  
Sail away with me  
What will be will be  
I wanna hold you now, now, now  
Sail away with me honey  
I put my heart in your hand  
Sail away with me honey now, now-----  
Sail away with me  
What will be will be

I wanna hold you now, now, now

Sail away with me honey

I put my heart in your hand

You break me up if you pull me down

ohhh

Sail away with me, what will be will be

I wanna hold you now, now, now

(whistle until fade)
