This years love had better last
Heaven knows it's high time
I've been waiting on my own, too long
When you hold me like you do
It feels so right, oh now
Start to forget how my heart gets torn
When that hurt gets thrown
Feelin' like I can't go on.
Turnin' circles time again
Cut like a knife, oh now
If you love me got to know for sure
Cuz' it takes something more this time
Then sweet, sweet lies, oh now
Before I open up my arms and fall losing all control
Every dream inside my soul
When you kiss me on that midnight street
Sweep me off my feet

Singin' ain't this life so sweet?
This years love had better last
This years love had better last
Cuz' whose to worry if our hearts get torn
When that hurt gets thrown
Don't you notice life goes on
Won't you kiss me on that midnight street
Sweep me off my feet
Singin' ain't this life so sweet
This years love had better last,
This years love had better last,
This years love had better last,
This years love had better last,
This years love had better last, whoa
This years love had better last.
