[Chorus] (x4)

Get up !
Don't again back on your feet !
To get up
Don't let nobody break you down !

Oh don't get the passion, control of your mind
Oh don't get frustration, announce of your time
And feel ebony, ...
Your hopes to the crown
And baby don't stop your cry !
And baby one more try !

[Chorus] (x4)

Oh if you want it, you got it !
You scour each feeling
You can dream it, believe it
It's got to be really
And feel ebony, ...
Your hopes to the crown
And baby don't stop your cry !
And baby one more try !

[Chorus] (x8)

Yeah, yeah, yeah... Ouhouh...

Get up !
